

KEY POINTS – Creating Good-Paying Jobs & Growing the Economy

- Americans continue to struggle with a sluggish economy and less take-home pay.
- 3.8 million Americans have been out of work for 27 weeks or more, and three out of four Americans live paycheck to paycheck.
- House Republicans want to rein in an out-of-control government to help create jobs and put more Americans back to work.
- Washington, DC continues to stand in the way of real solutions, with a Democratic-controlled Senate which refuses to act on and a President who constantly threatens to veto the dozens of jobs bills passed by the House.
- House Republicans want to get Washington out of the way to create more job opportunity and more take-home pay for all Americans.
